Reports from several [REDACTED] indicate that Brazilian Communists plan demonstrations and strikes to embarrass the Brazilian government during the Rio Conference, although plans have not been made for a general uprising.

25X1X

25X1A

Comment: It is understood that the Military Attache has reported that Military forces in Recife fear a communist uprising in that area in a short time. Also that in high Military circles it is indicated that Dutra and the Army plan to return to a dictatorship form of government after the Rio Conference as the only means of defeating the Communists.
